

RAJAGIRI PUBLIC SCHOOL DOHA, QATAR

NOTE TO PARENTS

13th Saturday 2022.

Dear parent,

Greetings to you from Rajagiri Public School!!!

It's a great honor to welcome all of you to the new term after your summer break.

I know the previous term was full of challenges, learning and explorations for all of us including students, teachers and parents. We could successfully sail through, with all your cooperation. We had a wonderful term, with lot of laurels that the students brought to the school.

I take this opportunity to appreciate all our parents for your wonderful support given to your children and the school. **School reopens on 16th August 2022.** I take great pleasure in welcoming all the new students who took admission during the vacation and it is my greatest honor to invite you to the learning environment at RPS. We promise that we will deliver the best of education for your child.

As per the instruction from the Ministry of Education, you are requested to abide by the COVID protocols by conducting the Rapid Antigen test within 48 hours of school entry. You can do the test from home or from any designated centers. Kindly bring the duly filled in **Parent declaration form** attached below on your first day at school. Students are requested to hand over the same to their respective class teachers. Also it is mandatory for all the students to wear mask while they are in the school campus.

Kindly involve yourself in deliberations with the coordinators/teachers to discuss anything related to your child's learning at school. You can fix an appointment by dropping a mail to Secretary to the Principal at secretary@rajagiridoha.com
